

## Abu Dhabi Service Center

Sulzer Pumps is one of the world's leading manufacturers of centrifugal pumps. We are dedicated to improving our customers' pumping processes and operational reliability. Our Customer Support Services team respond to industry service needs and is focused on ensuring high performance for all makes of rotating machinery. With an extensive global network of service centers, Sulzer Pumps is your ideal local service partner.

### Resources and Facilities

Our comprehensive workshop facility in Abu Dhabi is fully equipped to overhaul and repair all types of rotating machinery. Additional spare parts support is provided by Sulzer Pumps global network of spare parts manufacturing centers. The Abu Dhabi office houses engineering, contract administration and sales staff providing services for a wide range of hydraulic, mechanical and metallurgical problems. For complex projects, Sulzer Pumps' engineering and technology groups provide industry leading mechanical design and hydraulic development support.
